2 high strategic course

COURSE GUIDE

This is a 36 holes championship course which overlooks Yufutsu plain and the Pacific.

The north fairway is wide and covers long distances, long balls or curving shots are available in the course.

The 18 holes north course was designed for professional competitions.

The flat south course adopted the natural slopes and covered shorter distance, it is worth experiencing the golf in here.

The course was improved in difficulty by the equipped water hazards and streams.

NORTH WING-Walking with caddie-

HOLE	1	2	3	4	5	6	7	8	9	OUT
